

Dear students and parents,

Please check carefully the list below of when and from where you are departing for next June's Cambodia Program.

We are purchasing plane tickets next week and they are not refundable. **Please be sure that you are listed correctly below**, since this determines whether a plane ticket is purchased in your name.

The remaining payment for the trip is due March 1st. We need these payments to purchase both the air tickets and the trip itself. Please be sure the payments are in on time.

Our first orientation seminar will be after we return from March vacation. We look forward to sharing this experience and adventure with all of you!
