

Dear Cambodia Program group,

In just three weeks we will fly into Cambodia and undertake our service program. We appreciate the energy and commitment you have shown to date, and we look forward to a great experience. Please note the following to complete preparations:

- In a few more minutes, those of you who purchased the group ticket will **receive from me your e-ticket by email**. You do not need to bring this to the airport, although you may do so. Please check the e-ticket(s) to make sure that your name is spelled correctly.
- Those of you who missed Cambodia Orientation #3 last Wednesday must **see Mrs. West for a brief medical check-in**. Please e-mail her at ewest@taboracademy.org to set up your time to do this.
- If you have not yet done so, please by tomorrow email Ms. Kemezis with your plans for when and how you will join the group, at which airport. Mrs. Kemezis is in charge of the group's plane connections from Boston to Siem Reap, and Mrs. West is in charge from Siem Reap back to Boston.
- Remember that your immunization session starts at noon this Friday May 20th at the Health Center. **This is the only chance you will have to receive these immunizations, so you must remember to go.**
- Please read through the follow he attached recommendations for packing. You can find more information on our trip webpage at <http://taborcambodia2016.wikispaces.com/> **Note that you must bring DEET 30%+ bug lotion or spray.** "Jungle Formula" is one such brand. Also be sure to bring a thin and light sleeping mat. We will be sleeping on floor mats, with mosquito nets.
- Through a chance conversation with an admission inquiry to Tabor this week, Cambodia's Minister of Public Works and Transportation, **Mr. Chanthol Sun**, has taken an interest in our program. There is some chance he will visit us while we are working on our project. If you have time and interest please read the short attached story of his life, which is part of a book that his former professor at UPenn Wharton is now publishing. We hope that Chanthol Sun will join us, as it will be a unique opportunity for us to connect with Cambodia's past and present.

Chum Ree eubp!

Mr. DaSilva
Mr. Downes
Ms. Kemezis
Dr. Kistler
Mr. Sousa
Mrs. West
